#### 1. Narrative description of the Prop 28 arts education program(s) funded. (2500 character limit).

Due to the late roll out of 2023-24 Prop 28 funds, WLA will utilize the 2023-24 Prop 28 allocation in 2024-25 for the below services. WLA used 2023-24 to decide on which program offerings it wanted to roll out and therefore the answer to questions 2-6 below are 0. WLA Arts Plan Vendor: The Bronique Dance Family. With over 26 years of dedicated experience in the performing arts industry and the establishment of my own successful performing arts company (The Bronique Dance Family), I am deeply committed to nurturing creativity and personal growth in young minds. The program will run from August 2024 to December 2024, offering students a transformative journey through various artistic disciplines. From dance and poetry to songwriting and visual art, our curriculum is meticulously crafted to cater to the unique interests and needs of each child. As part of the program, we will host a showcase event in December to celebrate the remarkable artistic feats achieved by our students. This showcase will serve as a platform to shine a spotlight on the wonderful and amazing talents cultivated throughout the program, showcasing the student's creativity and dedication. In addition to providing quality instruction, I am dedicated to ensuring that the program's resources are utilized effectively. As such, I propose a budget of \$12,000 for my salary, along with an allocation of \$3,000 for essential resources such as costuming, decorations, and classroom supplies. I am confident that the Performing Arts Program will greatly enrich the educational experience at Woodward Leadership Academy and provide students with valuable opportunities for self-expression and artistic exploration. The plan noted above will spend down the WLA's 2023-24 grant allocation. If WLA Administration deems the program a success in the first semester, it will carry the program through for the remainder of the year and utilize 2024-25 Prop 28 dollars to fund the program.
